Dear Grampa;

The Systems Development group of ISM would like to extend their appreciation to you and all the staff at Magic Hill for making our Fun Day activities a real fun day. We were truly impressed with how well organized the day was right down to ensuring we had perfect weather for the occasion.

The food was excellent and the ice cream was as good as you promised it would be. We were also delighted to know that we tied the treasure hunt record but then again we knew we were good.

Grampa, Copperfield has nothing on you and the magic you perform. We now understand why you're a legend in your time, or was that mind? You were terrific and at no time did your fingers leave your hand.

Again, thank you for a great day.

Yours truly;

John MacKay
Director, ISM Development
